MEET OUR PANELISTS!

Troy Romero, a business attorney who has helped clients buy or sell over 200 companies in the past 30 years, will share his due diligence checklist and the Top Ten Things to Negotiate in your contract to buy or sell a business.

Daniel Sakow, CEO of 619 IT, a company that works to simplify technology for small businesses. Daniel helps integrate systems after an acquisition is complete. His first-hand experience with these processes includes 619 IT's merger with another IT company earlier this year.

Tanya Scott, CPA/Partner of Hutchinson and Bloodgood helps SME business owners develop and execute custom, comprehensive plans to successfully transition from their business.

David Worner will provide insight into the planning and structure of the deal from an accounting and business perspective. David is a partner of NOWCFO, an outsourced CFO company.
